

Education

PhD in Logistics and Operations Management Cardiff University, Cardiff Business School Second-year	2024-2027 Cardiff, UK
M.Sc. in Social Science Research Methods (PhD route) Cardiff University With distinction	2023-2024 Cardiff, UK
MSc in Socio-economic Systems Engineering Iran University of Science and Technology (IUST) GPA: 17.45 out of 20	2014- 2017 Tehran, Iran
BSc in Industrial Engineering Isfahan University of Technology (IUT) GPA: 14.27 out of 20	2009- 2014 Isfahan, Iran

Research Experience

PhD title: Undesrstanding and modeling consumer purchasing behavior toward modern slavery in global food and drink supply chains Supervisors: Dr. Maryam Lotfi, Prof. Bahman Rostami-Tabar, Prof. Nicole Koenig-Lewis, and Prof. Andrey Pepelyshev	2024-2027 Cardiff University
Member of Data Lab for Social Good (DL4SG) research group Role: Training lead	Since 2024 Cardiff University
MSc Thesis: Application of Operations Research and Management Science mathematical models in Supply Chain Social Sustainability Supervisor: Dr. Maryam Lotfi	2024 Cardiff University
Member of Moder Slavery and Social Sustainability (MSSS) research group Role: Publishing blogposts	Since 2023 Cardiff University
Research assistant: Development of a strategic plan for Tehran Water and Wastewater Company Supervisor: Dr. Saeed Shavalpour	2017 IUST
MSc Thesis: Development of sustainable management strategies for	2016-2017

urban water systems using a system dynamics approach;
 A case study of Isfahan water utility
 Supervisors: Dr. Mir Saman Pishvae, Dr. Saeed Mirzamahammadi

IUST

Teaching Experience

Associate Fellowship Program (Assigned)	2026
Graduate tutor (assigned), Module: Operations Management Main lecturer: Dr. Nadine Leder	2026 Cardiff University
Graduate tutor, Module: Supply Chain Social Sustainability Main lecturer: Dr. Maryam Lotfi	2025 Cardiff University
Teaching high school Mathematics	2021-2022 Iran
Teaching Assistant, Module: System Dynamics Main lecturer: Dr. Mir Saman Pishvae	2016 IUST

Publications

Application of dual systems theory for understanding consumer purchasing attitude and behavior towards modern slavery: Semi-structure interviews with generation Z Working Paper Authors: Amir Salimi Babamiri , Maryam Lotfi, Bahman Rostami-Tabar, Nicole Koenig-Lewis	2025
Applications of OR&MS models in supply chain social sustainability: Framework development and future research opportunities Under review in <i>Annals of Operations Research</i> (ABS rank: 3) Authors: Amir Salimi Babamiri , Maryam Lotfi, Reza Alikhani	2025
The analysis of financially sustainable management strategies of urban water distribution network under increasing block tariff structure; A system dynamics approach. <i>Sustainable Cities and Society</i> , 60, p.102193 (IF: 12, Cited by 47) Authors: Amir Salimi Babamiri , Mir Saman Pishvae, Saeed Mirzamohammadi	2020

Work Experience

Iran University of Applied Science

2019- 2021

► Application of SSM, SODA, and SSD in education	Isfahan, Iran
Mosalat Sazan, Water infrastructure and Construction	2017-2019
► Assistant Project Manager	Isfahan, Iran

Software

🖥️ Programming Language:	Python, R
🖥️ Qualitative data analysis:	NVivo
🖥️ Simulation:	Powersim, Vensim, SLAM
🖥️ Statistical Analysis & Econometrics:	EViews, Stata
🖥️ Optimization:	GAMS
🖥️ Project Management:	Microsoft Project

Honors & Awards

🏆 Fully funded by the ESRC Doctoral Training Partnership (DTP) for PhD studies	2024-2027
🏆 1000 pounds grant for research by Cardiff Business School	2025
🏆 Fully funded by the ESRC Doctoral Training Partnership (DTP) for Master's studies	2023-2024
🏆 Ranked among the top 1 % in nationwide university entrance exam in Mathematics and Physics. (For B.Sc. degree)	2009 Iran
🏆 Ranked among the top 2 % in nationwide university entrance exam in Industrial and Systems Engineering. (For M.Sc. degree)	2014 Iran

Conferences

European Operations Research Management (EurOMA) Presenting at the main conference and PhD workshop	2025 Polytechnic Milan
Business and Modern Slavery Conference Organizing the conference and presenting at the main conference and PhD workshop	2025 Cardiff University
Welsh Graduate School for Social Sciences (WGSSS) Conference Presenting at the main conference and PhD workshop	2025 Swansea University
